SUMMER 2018

How do I know which class?

For dancers age 2yr. - 8th grade, please sign up for your current age or the grade you will be entering fall of 2018

For Acro Classes - To choose a class see the following descriptions:

Pre-School Acro: Ages 2, 3, and 4

Acro 1 : forward and backward rolls, splits, balance, backbend, cartwheels, and roundoffs

Acro 2: need to have mastered all beginner skills - will learn handspring

Acro 3: master all the above plus a standing back handspring (no spot), will learn back tuck, lay outs

*Meredith will help you determine what class is best for you if needed

For High School dancers please see the following descriptions:

(Meredith will have final say in all placements for HS Dancers)

Tap 1: Dancers will review the basic tap steps and then combinations will stem from these steps.

Example: shuffle hop step, ballchange, buffalo

Tap 2: Dancers will need to have basic tap steps mastered and learn at a quick pace. Example: time steps, wing and butterfly step, double pierhouette

Ballet 2: Basic dance positions (correct ballet terms) should be mastered. Grande jete', pierhouette, changement, echappe', jete, chenne' turns should be mastered. This class will move at a much faster pace. Correct body placement and beginning technique should be mastered.

Ballet 3: This class will move a much faster pace. Body placement and beginner/intermediate technique should be mastered. Double pierhouettes, axels, attitude turns, splits/heel stretches (left/right leg) are required.

Hip Hop 2: Learning/teaching will be at a quicker pace - you will need to have had at least 3 years of Hip Hop to be in this class

Hip Hop 3: Quick pace - basic/intermediate HH/Jazz steps will be required.

**Meredith will have final say of placement. She will consult with Hip Hop teachers Meagan and Caitlin.

PRODUCTION I CLASS - Grades 3rd - 6th

PRODUCTION II CLASS - 7th Grade and Up

Open to all students. We will be learning a large group production number for the NOW Opening.

Please note that every class at every level will have excellent teaching and choreography, while maintaining our ultimate goal: worship. The goal of splitting classes like this is to have smaller classes that will help push each dancer to become the best they can be - whatever level they are on whatever pace they may need. After looking at your choice of classes, I will prayerfully consider where I feel you will best thrive and let you know the final decision.
